SANTA ROSA IS SECOND

Only to San Francisco in Suffering.
Business Section in Ruins and
Scores Killed

Santa Rosa, Cal., April 23.—The list of the known dead here totals 58, and it is believed 100 is a conservative estimate of the killed in the earthquake of Wednesday. The entire business section is in ruins and practically every residence in the city is damaged. The completeness of the devastation has put the rich and the poor on the same level, and commercially speaking the millionaires and laborers are all poor together. Money has no value, as there is no place to spend it. Plenty of provisions have been supplied from other towns and much is being brought in from the country surrounding. The city is under martial law.

ORDER SUCCEEDS CHAOS

People of San Francisco Are Rapidly
Getting Their Affairs Into
Shape

San Francisco, April 23.—Order and system are gradually being wrought out of the indescribable confusion which has prevailed in this city for the last five days. The hungry thousands are being plentifully fed, wherever they are camped, and the fortunate householders who were not driven from their homes are procuring food at the various relief stations established throughout the unburned district.

Water in sufficient quantities to meet all immediate and passing needs of the people can be had. Sanitary measures are pushed with vigor everywhere. Sewers are being repaired, and the thousands of people camped on open spaces and in the parks are being organized into model camps by the military authorities.

Temporary buildings are being erected in the parks to shelter women and children, and all the churches, educational institutions, vacant houses and those houses which have been deserted by the occupants, hold thousands of the homeless.

Food is being brought in plentiful supply and distributed in an orderly and systematic manner. All those who desire to leave the city are being provided with transportation to any point in California free of charge. No one is allowed to enter the city who cannot show satisfactory excuse for being here.

The sick and injured are being cared for at the general hospital in the Presidio and at various other hospitals, as well as emergency hospitals established by the Red Cross Society at several widely separated points.

ABOUT RHEUMATISM

There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by the Postoffice Drugstore.

NOT ALL HIS LIFE

Two gentlemen were traveling in one of the hill counties of Kentucky not long ago, bound on an exploration for pitch pine, says the Reader Magazine. They had been driving for two hours without encountering a human being, when they came in sight of a cabin in a clearing. It was very still. The hogs lay where they had fed. One of the claybank mule grazed around and around in a circle to save the trouble of walking, and one lean, lank man, whose garments were the color of a tree and let time roll by.

"Wonder if he can speak," said one traveler to the other.
"Try him," said his companion.
"Hon do you do?" said the northern-
er.
"Howdy," remarked the southerner, languidly.
"Pleasant country."
"Far them that likes it."
"Lived here all your life?"
The southerner spat pensively in the dust.
"Not yet," he said.

A Thousand Dollars' Worth of Good

"I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pain," says A. H. Thurman, a well known coal operator of Buffalo, O. "I got no relief from medicine until I began taking Fole's Kidney Cure, and the result was surprising. A few doses started the brick-dust-like substances and now I have no pain across my kidneys and I feel like a new man. It has done me \$1000 worth of good." Fole's Kidney Cure will cure every form of kidney or bladder disease. Sold by the Postoffice Drugstore.

WHERE WERE HIS ARMS

She had been for a drive with a young man friend, and when she returned she was glowing with excitement, says Tit Bits.
"Oh, dear mother," she said, "Tom and I had the very narrowest escape from an awful accident! The horse very nearly bolted. We were going through Swan lane, when all of a sudden a pheasant got up from the hedge and frightened the horse, and if Tom hadn't made a dash for the reins—" "Ph?" said her youngest brother, suddenly. "How's that? Why wasn't he holding them?"
And it took at least five minutes to explain.

CHAMBERLAIN'S COUGH REMEDY
The Best and Most Popular

"Mothers buy it for croupy children, railroad men buy it for severe coughs and elderly people buy it for a gripe," says Moore Bros., of Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but that medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by the Postoffice Drugstore.
